Disclaimer for T1NParts.com "How-To" Pages (Fine Print)

The "How-To" pages on **T1NParts.com** are provided for informational purposes only. While we strive to offer accurate, up-to-date, and comprehensive guides, the content may not cover every potential issue or variation that can occur during repairs or installations. By using these guides, you agree to the following:

1. **Professional Guidance Recommended:**

Automotive repair and maintenance tasks, including those described in our guides, can require specialized tools, skills, and knowledge. We strongly recommend consulting a qualified mechanic or technician if you are unsure about any procedure or lack the necessary experience.

2. **Assumption of Risk:**

Any actions you take based on the information provided on T1NParts.com are done at your own risk. We are not responsible for damages to your vehicle, tools, or other property, nor for any injuries that may occur as a result of following the instructions.

3. **Accuracy of Information:**

While we make every effort to ensure the accuracy of our guides, T1NParts.com does not guarantee that all content is free from errors, omissions, or outdated information. Vehicle models, configurations, and parts may vary, and it is your responsibility to verify compatibility and procedures.

4. **No Warranty or Liability:**

T1NParts.com disclaims all warranties, express or implied, regarding the accuracy or reliability of the "How-To" pages. We are not liable for any loss, injury, or damage arising from the use or misuse of the provided information.

5. **Use of Tools and Equipment:**

Always use tools and equipment in accordance with their manufacturer's instructions. Misuse or improper handling can result in serious damage or injury.

6. **Environmental and Safety Compliance:**

Be sure to comply with all local laws, regulations, and safety guidelines when performing vehicle repairs, especially those involving hazardous materials or emissions components.

By using the "How-To" pages on T1NParts.com, you acknowledge and accept this disclaimer. If you have questions or concerns, please contact a professional or refer to your vehicle's service manual.

Remember: When in doubt, seek professional assistance. Your safety and the proper functioning of your vehicle are our priority!
